Nature of Noncompliance

#1

Strickland has allegedly violated the mandatory condition of supervised release which states, "The defendant shall not commit another federal, state, or local crime."

According to information received by the probation officer on November 5, 2007, on or about October 25, 2007, a Complaint was filed against Strickland by a Cincinnati Police Corporal for allegedly misleading a public official by making a false statement. The offender allegedly gave the wrong name and social security number, and was positively identified at the Hamilton County Justice Center as Tina Strickland. The offender appeared in the Hamilton County Municipal Court on the charge of Falsification under Docket Number C/07/CRB/40836, and was released on a \$1,000 bond at 10%. Strickland is scheduled to appear in the above Court on the above charge before the Honorable Brad Greenberg on December 6, 2007. Thus, the charge is still pending as of this date.

The offender advised this officer that she is positive the charge will be dismissed.

It should be indicated that Strickland has paid a total of \$130 towards her restitution balance since her re-release on supervised release in July 2006. Additionally, she has worked at multiple jobs since her re-release on supervised release.

U.S. Probation Officer Action:

The undersigned probation officer is recommending that no action be taken against the offender to allow for the final disposition of the Falsification case in the Hamilton County Municipal Court.
